## How can my business benefit?

### Opening a Credit Account

Starting a credit account with Guernsey Post opens up a wide range of very useful Business Services, including a Business Portal, Freepost, Prepaid Postage, PO Boxes, International and Business Reply Services.

All you have to do is complete our Account Facilities application form, a Bank Consent form and the relevant service form. You'll find them at any of our branches as well as on our website.

Simply return your completed forms to Customer Services, FREEPOST GU267, Envoy House, La Vrangue, St Peter Port, GUERNSEY, GY1 5SS.

### and now pay by...

## Direct Debit

With a monthly direct debit you can spread the cost of delivery evenly throughout the year, avoiding large invoices. Direct Debit will also enable you to factor monthly charges into your budget more easily.

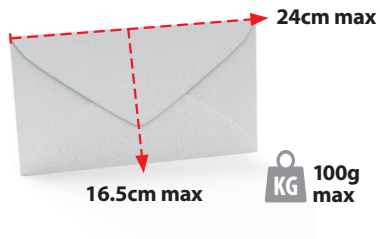

## Business Portal

Once you have opened a credit account with us you will have access to our business portal, and this enables you to submit all of your postal payments online without the need to use and maintain a franking machine. Not only does this remove the often high costs associated with franking machines, but it will enable you to access a whole host of additional benefits including saving your business 2p per item on standard postal rates, and volume based discounts for Special Delivery. Other benefits are also detailed within this leaflet.

N.B. Services by air to Jersey and the Isle of Man go via air to the UK, and then via sea for onward delivery to final destination.
