Terms & Conditions Post will be redirected for anyone at your old address provided details and signatures are given on the application form. Photo identification of one of the signatories is required, i.e. passport, driving licence or photo ID card. Guernsey Post will contact the business to confirm the service is required and for company protection purposes. The fee covers redirection of post, for a company with a single address, subject to signatures on the application form. Post can be redirected for up to 12 months from a physical address and for up to 4 months from a closed PO Box. By setting up a redirection, all post will be redirected to Bailiwick, UK, Jersey and Isle of Man addresses. If your new address is overseas, items below 2kg for international destinations will be forwarded on a weekly basis but items over 2kg or sent via ParcelForce will be returned to sender. The service is open only to applicants who occupied or rented the old address.

Forms signed by a director or person in authority (including a copy of their photo ID and proof of address), must also be accompanied by a letter on company headed paper, and must be handed in, or posted, to Guernsey Post, together with the payment, at least 7 working days before the redirection is required. A **£15.00** set-up fee is included in the price of setting up a new redirection instruction. If you wish the redirection to extend beyond the period for which you have paid, you must submit a new application form, along with additional payment, at least 7 working days before the date of expiry. Failure to give 7 working days notice for renewals may result in a **£15.00** set-up fee being charged.
